

auto leasing

want free gas
for a month?

introducing **driveawayhappy**

As everyone knows, the constant rise in gas prices has plagued and put a strain on the wallets of both consumers and businesses alike. To alleviate some of that pain, Independent Bank of Texas wants to offer you a \$250 prepaid gas card with each new auto lease from Independent Leasing. That's one month of free gas!* It's our way of insuring that each of our leasing customers not only receives the best price, the best service, and the vehicle you want but that you'll also "Drive Away Happy" knowing that your first month of gas is on us. It's all part of the experience of being a valued customer of Independent Bank of Texas.

**based on average mileage on an average vehicle*

Why should you use Independent Leasing?

- No security deposits, hefty down payments, or early termination penalty fees
- Several flexible terms & rate plans (set your own mileage)
- Individual or fleet accounts - we'll even establish lines of credit
- Lease any make or model, new or used, equipment and fleet vehicles
- Personal service and attention that is hard to find elsewhere

You owe it to yourself to find out why our customers keep coming back again and again. Let us help you discover the benefits of leasing.
