

# courier services

## tired of **driving** to the bank? let IBT come to you

Independent Bank of Texas has joined with Interlink Couriers\* to provide you with the convenience of having your deposits picked up from your office so you never have to worry about mailing deposits again. Think of the valuable savings in time and gasoline if you can do your banking business without leaving your desk! Courier Banking gives you that important time to focus on growing your business and removes the stress of meeting daily deposit deadlines. You can prearrange the pick up times for your deposits so you have complete control. The courier will deliver your deposits to the bank in sealed, tamper evident bags for same day processing. The deposits are signed for at your location on your courier's log and then signed for again at the bank to verify safe arrival. We confirm receipt of your deposit via a faxed confirmation.

Let one of our bank representatives help you to schedule your deposits for convenient pickup, whether it be on a daily, bi-weekly, or weekly basis.

### \*About Interlink Couriers

Interlink Couriers is a licensed and bonded courier service and has specialized in Routed Work of financial information since 1984. Routed Work describes pick ups that occur on a consistent basis at the same time of the day (or days) of the week.

**The price for a courier banking is dependent on:**

- Number of days per week
- Travel logistics, such as time and mileage, etc

To begin experiencing the convenience of Courier Banking with Independent Bank of Texas call one of our representatives at

**(972) 870-9300 for details today!**
